

DJ-Tech

2010 PRODUCT OVERVIEW

New Product information

DJ FOR ALL is the easiest way to become a DJ. This computer-DJ package is perfect for anyone from people wanting to be a DJ to music lovers who have never tried DJing before. No more mixer, no more turntables, no more CDs!!! Just your computer and DJ FOR ALL. DJ FOR ALL consists of a hardware DJ control surface with a convenient, standard USB connection and powerful Deckadance LE performance DJ software for MAC and PC. DJ FOR ALL includes as well a USB Audio cable to connect your computer to your PA System, and a High Definition DJ Headphones to CUE your music in any conditions.

Transform your computer into a DANCE MACHINE.

Mix and scratch your music, including your iTunes Music Libraries using two large performance platters and a central mixer section with a crossfader, buttons and knobs.. Just load your tracks to either Deck A or Deck B, and then control it, cueing up the start point, performing advanced transitions and even scratching.

DJ FOR ALL is coming with 1000 samples sounds from Deckadance, that you can play and drum them in any conditions. Thanks to the 8 Rubbers pads which can be assigned for CUES and AUTOLOOPS too.

No need any science of Djing, as the DJ software has an automatic beat-matching : all your mix will just be INTO THE BEAT. DJ FOR ALL, is a complete and EZ DJ START PACK, to be the king of the night.
